Call for Abstracts

The Eurohand 2008, EFSHT Organizing Committee invites you to share your expertise and innovations in Hand Therapy by submitting an abstract of your presentation or poster proposal.

Abstracts in English may be submitted anytime from now until November 15, 2007. To submit an abstract please log on to www.eurohand2008.com and click on the abstracts button. Detailed abstract instructions and congress information are available online. The official language of the congress is English.

The EFSHT Permanent Scientific Committee will review all abstracts. Notification of proposal acceptance or rejection for poster or presentation at Eurohand 2008 will be mailed in February 2008. All presenters are required to register to attend Eurohand 2008.

Your participation and involvement in Eurohand 2008 encourages the cross cultural networking and sharing of information and innovations among fellow Hand Therapy professionals in Europe.

We hope to see and hear you there!
